

Are you a parent of an adolescent  
with reading difficulties?

# JOIN OUR ADVISORY GROUP!

## EXPERTS BY EXPERIENCE

We are looking for parents of adolescents with reading difficulties to create a panel of experts by experience.

We would like your views to help inform decisions around the design of our research project.

As a thank you for your participation, you will be given compensated for your time.

## WHO ARE WE AND WHY ARE WE DOING THIS?

We are a group of researchers in the School of Psychology at the University of Surrey.

We are interested in adolescents social and emotional experiences related to reading difficulties, so that we can better support them in the future.

We would like to involve you as a group of experts by experience to ensure our research is relevant to adolescents with reading difficulties.

## WHAT DO YOU NEED TO DO IF YOU JOIN THE GROUP?

We will meet online about 3 times during the year. We will aim for the meetings to be an hour. You will be asked to read some materials before these meetings.

In the meetings, you will be asked to provide your thoughts on parts of the research, for example:

- Wording of our interview questions and any key questions that are missing
- How to best recruit participants and the suitability of the advertisements
- The conclusions we make from the data

## CONTACT INFORMATION

Please contact Jovana Durica at [UnRAP@surrey.ac.uk](mailto:UnRAP@surrey.ac.uk) if you are interested in joining the group or if you would like more information.
